

MINUTES

PZC Subcommittee on Infrastructure, Seventh Meeting, Room "C"
Wednesday, April 17, 2013
Audrey Beck Municipal Building
Storrs-Mansfield, CT

Present: Alex Marcellino (Chairman), Kay Holt, Peter Plante, Ken Rawn

Call to Order:

Chairman Marcellino called the meeting to order at 1:20 p.m.

Minutes:

3/20/13 Regular Meeting – Plante MOVED, Holt seconded, to approve minutes as written. MOTION PASSED, with Rawn abstaining.

Additions/Changes to the Agenda: None.

Old Business:

We re-examined our top three priority projects and concluded we'd keep them in the same order, for presentation to Lon Hultgren, Director of Public Works.

Priority One: Westwood, Eastwood, Hillside Circle Roads;

Priority Two: Meadowbrook Lane, Mansfield City Road north to Pleasant Valley Road, Pleasant Valley Road west to Mansfield Avenue to the Windham town-line;

Priority Three: Route 195 from the Greek Village at UConn, north to Route 44. (If the North Hillside Road Extension is built with sidewalks and bikeways, and there is a sidewalk/bikeway connector from Greek Village to North Hillside, then there might be less reason to build a sidewalk along 195. The purpose of this priority is to find a safe way to connect the Greek Village to Four Corners.)

After a wide-ranging discussion on various infrastructure projects, as well as how the three sidewalk-priority projects might be financed, the Chairman agreed to set up a meeting with Lon Hultgren. Possible dates include May 1, 2, 7 and 8, 2013, at the optimum time of 1:15 p.m.

Next Meeting:

Date, time and location are to be announced by the Chairman.

Field Trip: None.

Adjournment:

The meeting was adjourned at 2:22 p.m.

Respectfully submitted,
Katherine Holt, Secretary
